## **RCGP Curriculum area covered:**

3.04 Care of Children and Young People

## **Good Medical Practice Framework:**

### **1.1 Maintain your professional performance**

- Keep knowledge and skills about your current work up to date
- Participate in professional development and educational activities

### **1.2 Apply knowledge and experience to practice**

- Adequately assess the patient's conditions
- Provide or arrange advice, investigations or treatment where necessary
- Prescribe drugs or treatment, including repeat prescriptions, safely and appropriately
- Provide effective treatments based on the best available evidence
- Consult colleagues, or refer patients to colleagues, when this is in the patient's best interests

## **Feedback, Course certificates and Reflection on Learning**

We will send you instructions for submitting feedback and accessing your course certificate after the event.

## **Course materials**

Course materials, handouts and presentations will be added to the website. Please let us know if there are materials that you cannot find on the website. All materials from previous courses are stored in the library. You can access the library at any times and search for documents or topics using key word(s).

## **Sponsors**

Our sponsors for the day are Apodi, Chiesi, GSK, Napp & RBUK

We are very grateful to the sponsors for supporting this event. Please do visit their stands during the breaks – their support reduces the cost of membership and course fees significantly.
