

## Occupational Health - fit or sick?

Date Wednesday 27 April 2016

Venue Engineers' House

Coffee from 9.00am

Start at 9.30am and finish at 12.30am

---

### Learning Objectives

The course has been designed to be learner-focused, and to engender discussion. It will consider aspects of Occupational health including legal issues and case scenarios

### Programme

This course is being facilitated by **Dr Richard Taylor**, Occupational Health physician

Slot 1 Plenary: what would you like to get out of the session?  
Overview of Occupational health  
Discussion of cases/scenarios  
(some will be provided: *please do bring with you any that you would like to raise/discuss in the group*)

### Coffee

Slot 2 Legal issues in Occupational health, including recent developments in employment law and the Equality Act  
Stress at work (optional slot: to be included if there is time/interest)

## RCGP Curriculum areas covered:

- 3.10 Care of People with Mental Health Problems

## Good Medical Practice Framework:

### *1.1 Maintain your professional performance*

- Maintain knowledge of the law and other regulation relevant to your work
- Keep knowledge and skills about your current work up to date
- Participate in professional development and educational activities

### *1.2 Apply knowledge and experience to practice*

- Support patients in caring for themselves
- If you are in a clinical role:
  - Adequately assess the patient's conditions from *Good medical* principles and values from *Good medical practice*

### *3.1 Communicate effectively*

- Listen to patients and respect their views about their health
- Respond to patients' questions

### *3.3 Establish and maintain partnerships with patients*

- Encourage patients to take an interest in their health and to take action to improve and maintain it
- Treat each patient fairly and as an individual

## Evaluation, Course certificates and Reflection on Learning

We will send you instructions for submitting feedback and accessing your course certificate after the event.

## Course materials

Course materials, handouts and presentations will be added to the website. Please let us know if there are materials that you cannot find on the website. All materials from previous courses are stored in the library. You can access the library at any times and search for documents or topics using key word(s).

## Sponsors

Our sponsors for the day are Ashfield

We are very grateful to the sponsors for supporting this event. Please do visit their stands during the breaks – their support reduces the cost of membership and course fees significantly.
