RCGP Curriculum areas covered:

2.03 The GP in the Wider Professional Environment

Good Medical Practice Framework:

1.1 Maintain your professional performance

- Maintain knowledge of the law and other regulation relevant to your work
- Keep knowledge and skills about your current work up to date
- Participate in professional development and educational activities
- Take part in and respond constructively to the outcome of systematic quality improvement activities (eg audit), appraisals and performance reviews

Feedback, Course certificates and Reflection on Learning

Please submit your feedback online by following the link in the email you will be sent after the course. Feedback will be collated and shared with educators.

Once you have left your feedback, you will be able to access your course certificate and reflection on learning template for this course.

Your course certificate and reflection on learning can be completed, added to or amended at any time, using your HLP login. You can also download it as a PDF document.

Course documents

Course documents will be added to the website. You will find them next to this course in the programme listing, and also in the library.

All shared documents from recent courses are stored in the library. You can access it at any times and search for documents or topics using key words.
