Educators

Tim Davis, GP and Educator, Health Learning Partnership

Rachel Ware, Regional Liaison Officer, GMC

RCGP Curriculum areas covered:

2.03 The GP in the wider professional environment

Good Medical Practice Framework:

1.1 Maintain your professional performance

- Keep knowledge and skills about your current work up to date
- Participate in professional development and educational activities

1.2 Apply knowledge and experience to practice

- Adequately assess the patient's conditions
- Provide or arrange advice, investigations or treatment where necessary
- Prescribe drugs or treatment, including repeat prescriptions, safely and appropriately
- Provide effective treatments based on the best available evidence
- Consult colleagues, or refer patients to colleagues, when this is in the patient's best interests

Feedback, Course certificates and Reflection on Learning

Please submit your feedback online by following the link in the email you will be sent after the course. Feedback will be collated and shared with educators.

Once you have left your feedback, you will be able to access your course certificate and reflection on learning template for this course.

Your course certificate and reflection on learning can be completed, added to or amended at any time, using your HLP login. You can also download it as a PDF document.

Course materials

Course materials, handouts and presentations will be added to the website. Please let us know if there are materials that you cannot find on the website. All materials from previous courses are stored in the library. You can access the library at any time and search for documents or topics using key word(s).

Sponsors

Our sponsors for the day are CHIESI & MYLAN*

** Chiesi are supporting through purchase of exhibition space*

We are very grateful to the sponsor for supporting this event. Please do visit their stand during the breaks.
