

FREE to members and non members

Evening sessions specifically for GPs in the first 5 years after completing GP training.

- Facilitated, confidential small group environment at the Nuffield for shared learning and peer support.
- Coordinated by Dr Pamela Curtis and Dr Umber Malik, NQGPs with insight into all the issues and challenges of starting work after training including the clinical work, reflection on Significant events, accounts and finances, getting through appraisal and career planning

This month:

30 minutes informal Q&A - Infertility

Mrs Uma Gordon – Consultant Gynaecologist and Specialist in Reproductive Medicine and Surgery

- **Small group discussion – “Challenging patients and modifying expectations” – come armed with examples to discuss**

Facilitators: Dr Pamela Curtis and Dr Umber Malik
