

Evaluation: Workshop and Ideas for Teaching Skills

Which aspects of teaching skills are you most interested in developing today?

At the **start** of the session, please **shade** the person that best represents how you feel about this skill.
(Add your name if you wish.)

At the **end** of the session, please **draw a circle** around the person that represents how you now feel about it.

Evaluation: Workshop and Ideas for Teaching Skills

Things I plan to do differently, which I have learned today:

1

2

Things I found interesting, but I do not think I will use:

1

2

How could the workshop have been more effective for me?

1

2

Complete the following poem (free text):

At the end of the workshop

I see...

I hear...

I feel...

Any other comments?
