This is one of our '**Conversations**' programme in 2018/19. These courses have limited participants and are designed to be highly learner-centred. You are encouraged to bring questions of personal interest and concern: these will be addressed by the educator and may be discussed in the group.

It is always useful for the educator to have had sight of cases/questions in advance of the session. Please email these to us beforehand, if you can. We appreciate that questions are often prompted by the session itself!
